Boulder Piano Gallery
3111 Walnut St., Boulder, CO 80301

Pre-Registration Requested
Redtail NC@centurylink.net

Bring your lunch, gather with friends, and learn about HANDLE.

Instructor: Kimberly Lauger, BSN

Certified HANDLE® Practitioner and Instructor

“Kimberly is the personification of the gentleness that is the trademark of HANDLE.” —GeeGee Larrington, OTR/L

HANDLE® — Holistic Approach to NeuroDevelopment and Learning Efficiency —
*a gentle, respectful, person-centered approach to
understanding behavior and supporting efficient function*

Course Objectives:

- Explore the role of frequent, repeated, non-stressful movement in positive development.
- Gain insight into the role of stress on development and what you can do to help.
- Take home 3 activities to support positive development.

“Everything is so much easier now: for the twins and for us parenting them.”

_____Angie D
